

ADRIATIC BANK

INVESTMENT BANKING TARIFFS RULEBOOK
Adriatic Bank AD Podgorica

Version 2

Podgorica, January 2024

Klasifikacija/Classification: **Javno/Public**

I GENERAL PROVISIONS

Article 1

Investment Banking Tariffs Rulebook (hereinafter: Tariffs Rulebook) prescribes tariffs which Adriatic bank AD Podgorica (hereinafter: The Bank), charges to its clients for the services provided by Investment banking department.

Article 2

The Bank operates according the adopted rates, in regards to the integrity of the interest of the Bank and its clients.

Article 3

Commissions and fees determined by this Tariffs Rulebook are expressed in their maximum amounts.

Article 4

The Head of Investment Banking Department is authorized to negotiate and, along with the consent of Management Board members, decides on the rate for performing the operations defined as such (as agreed), as well as for the activities not regulated by this Tariffs Rulebook, considering Bank`s costs, business interests and earnings.

Article 5

The Head of Investment Banking Department is authorized to negotiate and, along with the consent of Management Board, decides on proposal for reduction of the compensation given by this Tariffs Rulebook to the clients of particular importance for the Bank.

Article 6

The status of the client of particular importance is determined by a case-by-case basis and it is obtained based on the following criteria:

- Extent of use of Bank`s services;
- Recognizing long-term business interest;
- The importance and reputation of the client etc.

Article 7

In the case of reasonable circumstances related to the Bank's operations, Investment banking Department may decide to charge its clients higher fee than one provided by this Tariffs Rulebook. The Bank is obliged to inform the client about the change of the fee before the execution of its order and provide its consent for application of the proposed higher fee.

Article 8

By this Tariffs Rulebook, Investment Banking Department commissions and fees shall be determined for the following services:

- Investment banking account opening and maintenance;
- Trading on domestic and international markets;
- Safekeeping;
- Transfer of instruments according to the court decisions, presents, inheritance and contracts;
- Compensation for operations of collecting of receivables from issuers of financial instruments, such as principal, interest, coupons and dividends for the account of the legal holders of those instruments;
- Booking and removing of pledges on financial instrument;
- Free of payment transfers for international instruments;
- Fee for notification and representation at the shareholders meetings and corporate activities, by authorization of the Bank's client;
- Investment consulting.

Article 10

Fees for activities that the Investment Banking Department provides to its clients other than those specified in this Tariffs Rulebook, the Bank will negotiate and agree with the client.

Article 11

The Bank reserves the right to make changes to the content of Tariff Groups and any Tariff itself in order to adjust them to its costs and market conditions. The availability of individual markets is subject to change depending on the activities of the Bank`s sub-depositories.

If the client keeps the financial instrument on an investment account with the Bank, which, due to its own or the specifics of the relevant market carries an additional/hidden cost of any kind, the client is obliged to pay the resulting cost.

In case that, while carrying out business for the client, the Bank incurs some real expenses, such as tax expenses or any other obligation arising from financial instruments on clients account, the client is obliged to reimburse the Bank for the costs incurred in full in accordance with the specification.

Article 12

This Tariffs Rulebook is available to the client upon its request and always before the conclusion of the contract with the Bank on the provision of investment banking services.

The Bank enables client to see the latest version of this Tariffs Rulebook in the Banks premises where transactions with financial instruments are carried out, by highlighting them in a visible and accessible place as well as on the Banks website (www.adriaticbank.com).

The client`s statement that the Tariffs Rulebook was available before concluding the contract, that the client was familiar with its content and accepted it, constitutes an integral part of the contract between the client and the Bank.

The Bank enables client to see the changes to this Tariffs Rulebook no later than within 7 days of its entry into force by highlighting it in a visible and accessible place in the Banks premises where transactions with financial instruments are carried out, as well as on the Banks website (www.adriaticbank.com).

The Tariffs Rulebook shall enter into force upon its adoption and will be published on the Bank`s website www.adriaticbank.com and at the premises of the Bank.
