International payments are executed with value date T+2. Payment orders received till 14:00 h are performed on the same day, and after that on next business day. Foreign bank charges are not included in the price list. The ordering customer shall cover all fees and expenses charged by the foreign bank. The charges are calculated under the prevailing exchange rate from bank's exchange rate list applied on the transaction, for which such charges are calculated. The charges are, as rule, paid in advance.
